

spdlog::formatter

```
graph BT; A[spdlog::pattern_formatter] --> B[spdlog::formatter];
```

The diagram illustrates an inheritance relationship between two C++ classes. At the bottom is a gray rectangular box containing the text 'spdlog::pattern\_formatter'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text 'spdlog::formatter'. This visualizes that 'spdlog::pattern\_formatter' inherits from 'spdlog::formatter'.

spdlog::pattern\_formatter
